Ref: Identification number for Cal Grants

THE FOLLOWING IS PROVIDING PERMISSION TO RELEASE YOUR DAUGHTER'S SOCIAL SECURITY NUMBER TO THE CALIFORNIA STUDENT AID COMMISSION.

I agree to provide permission to Immaculate Conception Academy to use my daughter's social security for the Cal Grant Program through the California State Aid Commission. Her social security number will be provided directly to the California Student Aid Commission only. The information is submitted through electronically through secured channels monitored by the Federal Government.

Please be advised, once an applicant applies through the Free Application for Federal Student Aid (FAFSA) paper copy, their information will still be on the Internet. Their information can only be accessed through their own personal pin number. Her FAFSA application can be submitted on-line beginning January. However, I strongly recommend for the custodial parent and the student to sign up for their pin numbers (it takes approximately four weeks to process) to begin their FAFSA application at www.fafsa.ed.gov. Each student and custodial parent must have a pin number to apply through FAFSA online. *Students will apply for FAFSA in January of their senior year.*

Your daughter's information is used to only identify the student and to determine eligibility for Cal Grant. We will not process this information electronically without your and your daughter's consent. However, we strongly recommend that the paper application to be used no later than March 1st. This authorization eliminates filling out the GPA Verification Form to be consider for Cal Grant funding.

Please note that students are strongly encouraged to take a summer school course to increase their Cal Grant GPA. Ms. Vaccaro can calculate their Cal Grant GPA for financial aid for college after their sixth semester grades are entered.
